Dear Sir / Mam,

Greetings from IFA !

As you are aware that IFA - India is hosting a two day conference on international taxation with the theme "International Taxation - Looking through the crystal ball" at Hotel ITC Grand Central, Mumbai on 28 February 2019 and 1 March 2019.

The recent developments in International Taxation and understanding their impact while being mindful of the impact of other allied laws on International Taxation is of great significance. This conference is designed to provide participants with in-depth discussion these taxation issues.

The event includes two full days of substantive sessions on international tax topics, featuring prominent speakers from the tax firms from India and abroad, industry and government.

The topics inter-alia include:

- Understanding the concept of PE in the blockchain and cloud computing world;
- Impact of BEPS and Exchange of information on transfer pricing;
- Impact of GAAR and MLI on Corporate restructuring;
- Impact of IndAS and allied laws on International Taxation

The Conference is suitable for professionals, such as tax managers and directors, in-house tax and accounting specialists in commerce and industry, practitioners in tax advisory firms, and government officials who deal with international tax or transfer pricing in India and wish to gain a deeper technical understanding of relevant domestic law, tax treaty and transfer pricing developments.

The conference would provide an excellent opportunity for learning and sharing of knowledge in international tax.

It would be our privilege if you could spare your valuable time to join us at the Conference.
