Dear members of IFA India and others,

We are pleased to inform you about the **IFA Virtual Programme** which will consist of seven webinars to take place from

16 - 25 November 2020. The Main Subjects of this years' Cahiers and IFA's regular sessions will be held virtually on the IFA website and on the IFA App. Also IFA's Young IFA Network (YIN) and Women IFA Network (WIN) will organise a virtual session, and you can visit the virtual poster programme. Through seven dynamic sessions, the experienced speakers will focus on important developments in the world of international taxation.

Apart from the opening and closing event, the sessions will include:

The WIN Seminar will be held in memory of Carol P. Tello, President of IFA USA Branch. The event will be opened by the IFA President, Murray Clayson and the President of the Cancun Congress, Edgar Anaya, on 16 November 2020, followed by a brief introduction on the scientific programme by the Chair of the PSC, Robert Danon. **Registration is reserved for IFA members and without charge, and must be done on IFA website ([www.ifa.nl](http://www.ifa.nl)) or on the IFA App.**

This is a golden opportunity for members in India to virtually attend the Congress. Besides, the timing is also convenient, as 15.00 hours CET means 6.30 pm IST. I invite you to register for the Congress at the earliest, to avoid disappointment. Further, considering that the fees for any IFA Congress would be approximately INR 1 lakh per delegate, this is a golden chance to attend the Congress by becoming a member of IFA, in case you are not yet a member. Please see attached form for details, which you may feel free to forward to any person having interest in international taxation. Membership fees and application for new and old members can also be done online by clicking [www.ifaindia.in/Registration\\_form\\_new.aspx](http://www.ifaindia.in/Registration_form_new.aspx)

Circumstances permitting, we at IFA India, Western Region Chapter will also consider a joint screening of the webinar at our new premises at BKC, for a limited number of persons considering social distancing. Details will be sent in due course, nearer the event.

Yours truly,

*Nilesh Kapadia*

Chairman - IFA India, Western Region Chapter
